

Showing interests in ITS AP

- Professor CSRK Prasad, Department of Civil Engineering, NIT (introduced by ITS Australia)
- Mr. Mohit Kocher, **KPIT** (IT Consulting and product engineering company- contacted at ITS APF Auckland2014/Nanjing2015)

ITS India needs to be:

- established under the collaboration of public-private-academia sectors representing India, and
- evaluated the capabilities to execute the responsibilities according to ITS AP MoU.
