Dear: Ms. Ananya,

Re: The notification from ITS Asia-Pacific Secretariat

On behalf of the secretariat of ITS Asia-Pacific, I need to inform you that we have to review your membership status in ITS Asia-Pacific. Although we announced your membership suspension for ITS Asia Pacific Board of Directors and ITS World Congress Board of Directors in the letter dated June 26, 2014 as the resolution of the ITS AP BOD members, no response has been received to the ITSAP secretariat up to now.

If you are not in a positive perspective to execute the roles and responsibilities of the ITS Asia-Pacific any more in future, we have to seek for the involvement of any other entity which could propel the important roles for ITS deployment representing the powerful country.

Your comments by March 22, 2016 would be highly appreciated.

Best regards,

Hajime Amano
The Secretariat General
ITS Asia-Pacific
