

**Request of Recommendation for
“Achievement Awards”
From Asia-Pacific Region**

Issued: June 2013
ITS Japan
The Secretariat of ITS
Asia-Pacific

1. Objective

Respect to the distinguished entity for its contribution to ITS community in each region (Europe, Americas and Asia-Pacific).

“Achievement Awards” consist of “Industry Award” and “Local Government Award”.

2. Criteria of the Achievement Awards

Industry Award would be given to a company or research organization that:

- developed and/or deployed and a significantly new innovative product or service over the course of the previous year
- whose new product and/or service played a key role in accelerating development and deployment of ITS in its region
- is a company or research organization that plays a leading role in the ITS Community

Local Government Award would be given to a local government agency that:

- developed or deployed a significant new innovative ITS system or service over the course of the previous year
- whose new system and/or service fostered advanced deployment of ITS services
- is an organization that plays a leading role in the ITS Community

3. Process for selection

- (1) The secretariat of ITS Asia-Pacific (ITS Japan) will issue the request for nomination of candidates for “Achievement Awards” to ITS organizations who are member of ITS Asia-Pacific no later than three months before the Congress by email.
- (2) Each ITS organization will reply to the secretariat with one candidate (or no candidate) for “Achievement Awards” from its country/region by the requested date with a recommendation form (as attached) in response to the request.
- (3) Compiling the feedback, the secretariat will distribute the list of candidates to ITS Organizations and request voting to select the winner for “Achievement Awards” from Asia-Pacific region at ITS-AP BOD meeting. Each ITS organization has one vote.
- (4) The winner is a candidate with the most number of votes which should be more than one-third of the total number of votes.
- (5) If there is no candidate with more than one-third of votes, ITS Asia-Pacific has no winner in the year. If there are more than two candidates with the same number of votes, we have the second voting for the candidates excluding those who didn’t have more than one-third of votes.
- (6) After the winner is confirmed by the World Congress Board of Directors from Asia-Pacific, the winner will be informed to ERTICO and ITS America as well as Organizing Committee two months before the Congress.
