

ITS World Congress Selection Rule

AP-BOD Meeting
September 16, 2018

Secretariat of ITS Asia-Pacific

12. Other business

The current selection process of voting 6-8 months after the presentation might have the members vote with the foggy memory. It was suggested to consider the modification of the ITSWC selection rule so that the voting could be made just after the presentation which would be fairer for the both candidates and voters.

WC Guideline; 2.1.2.

(1) The Role of World Congress Board of Directors

The role of the World Congress Board of Directors is to serve as the senior advisory body of the World Congresses on ITS. The Board's duties are as follows.

- to schedule annually an ITS World Congress in a location within the Host Region not less than four years before the dates of the Congress by the respective Region. It is envisioned that a preferred venue would be known to the Region up to five years before the Congress in question. The location rotates every year (Europe, then Asia-Pacific and then the Americas).
