

Pathways to Seamless Mobility Pavilion

The **Pathways to Seamless Mobility Pavilion** will be a featured area at the ITS World Congress 2020 in Los Angeles, California. The pavilion will showcase how select global cities are leading the way on the integration of innovative MOD/MaaS solutions; improving equity, access, and ease of travel for citizens worldwide.

Proposed Featured Cities:

- Los Angeles, California
- Hamburg, Germany
- **xxx, Asia-Pacific**
- ITS World Congress 2023 City

ITS World Congress 2020 | October 4-8, 2020 | Los Angeles, CA
