Application Period: 1 - 31 January 2019

Submission Date: 29 January 2019
Applicant's Name/Organization/e-mail Contact: Muhammad Aditya Arief Nugraha / ITS Indonesia / Aditya@gamatechno.com
Candidate City, Country: Bali – Jakarta, INDONESIA
Hosting Body: ITS INDONESIA
Proposed Venue: ICE
Proposed Period: 31 May – 2 June 2021
Proposed Main Theme: "People centric ITS for better quality of life"
Brief Description (up to 50 words): The ultimate objective of the implementation of ITS globally is not just to show case technological developments. It is to better serve our society for better quality of life. We shall not be burdened with fear of safety while we are travelling nor wasting time and energy just to plan for our daily mobility. By 2021, most of the big cities would have implemented the infrastructure for ITS and already have made huge improvements in the operation developments. Hence, It is time now to think more about how quality of life can be enhanced and how ITS can be the major contributor for better quality of life.
