ITS Asia-Pacific Forum 2024 Host City Bidding Application Form

Please fill the form and submit to the ITS AP Secretariat (email: intl@its-jp.org) by 31March, 2022.

Application Period: 1 March - 31 March 2022

Submission Date:	
Applicant's Name/Organization/e-mail Contact: ITS Indonesia	
Candidate City, Country: Jakarta, Indonesia	
Hosting Body: ITS Indonesia	
Proposed Venue: JiExpo, Jakarta + visit to ITS center in the new capital of Indonesia	
Proposed Period: May 2024	
Proposed Main Theme: Smart Transportation and Sustainable City	
Brief Description (up to 50 words): Transportation is one of the strategic components in the distribution and services between regions in urban areas. The application of smart transportation using digital technology can improve transportation functions and positively impact the environment. The convenience provided by smart transportation can directly enhance the quality of the economic, social, and urban environmental aspects. These three aspects are the main dimensions in sustainable development. In other words, smart transportation can support urban areas to create sustainable cities.
