ITS Australia Strategic Plan 2024 - 2029

Our Purpose

Our aspirations for the future of transport:

Safe

Safe for transport users,
workers and our communities

Sustainable

Environmentally, economically
and socially sustainable

Productive and Accessible

Underpins a thriving, vibrant
and healthy society

ITS Australia Strategic Plan 2024 - 2029

Our Purpose

We advocate for the use of technology to underpin a transport future that is:

Seamlessly interconnected for all

Powered by a thriving industry

Efficient

Embraced by society

Harmonised

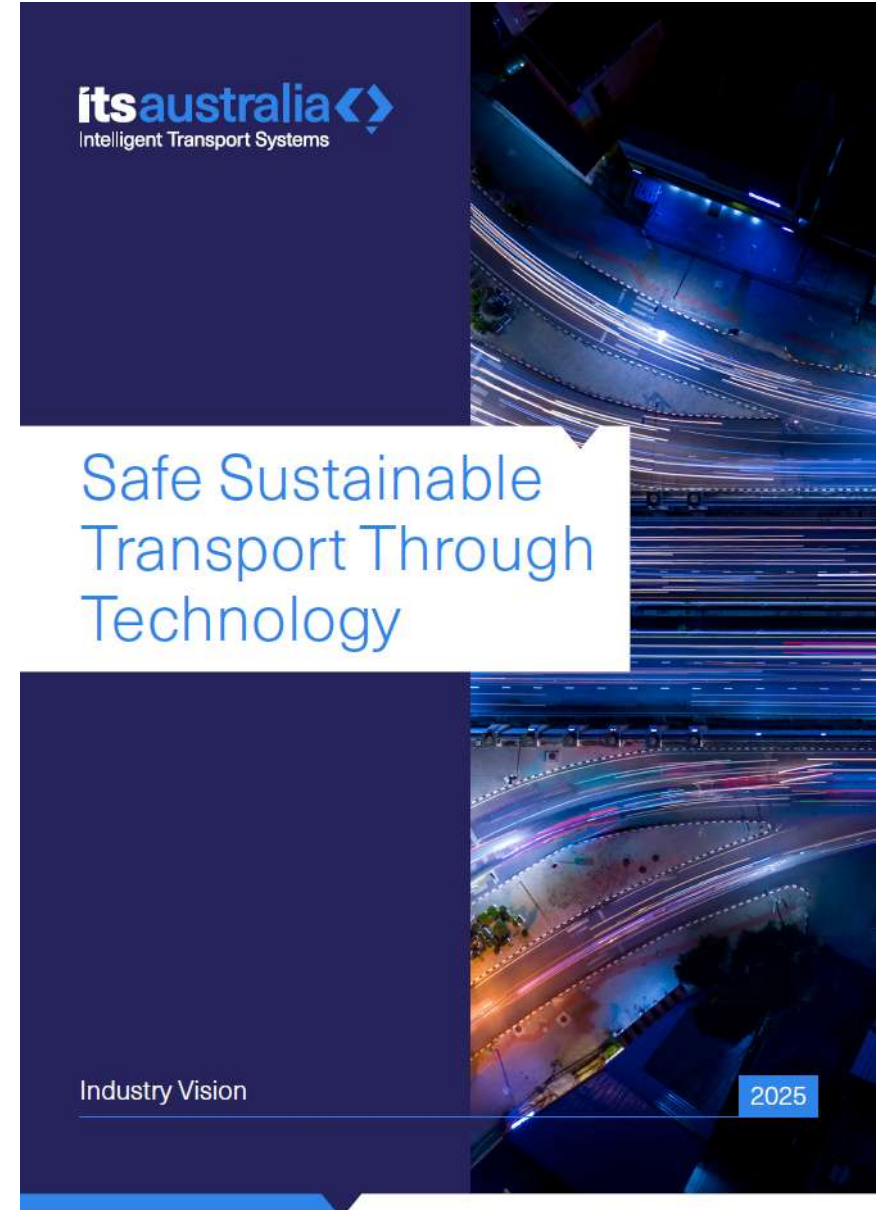

its-australia.com.au/strategic-plan-2024-2029

ITS Australia Industry Vision 2025

Highlights priority initiatives for Australia:

- Building trusted national data sets for high-impact cases
- Deploying long-range communications for road safety data
- Progressing AV deployments in first priority operational domains of freight and public transport
- Reducing emissions by optimising existing assets

Policy

Current Research Projects
